

### ABOUT

Transitioning my career into Software Engineering, I am a strong communicator & collaborator with a self-motivated, deadline-driven ethos.

I have built up strong client / customer interaction skills and am comfortable working collaboratively in small and large teams.

I enjoy making a difference by creating robust, simple solutions to problems.

### SKILLS

- ★ JavaScript
- ★ HTML / CSS
- ★ React / Redux / Jest
- ★ Ruby on Rails
- ★ Node.js / Express / Mongoose / MongoDB
- ★ Python
- ★ Git / GitHub
- ★ APIs

### EXPERIENCE

#### ● General Assembly

Mar 2022 - Jun 2022

#### Software Engineering Immersive Student

Intensive 13 week (480 hour) course covering fundamentals in full-stack software development.

- Practical project-based experience across a range of industry standard front-end and back-end technologies.
- Daily classwork, homework and weekend mini projects solidified the material taught.

#### Projects:

- **Tic-Tac-Toe** (JavaScript / jQuery / HTML / CSS)  
<https://github.com/edwalters99/tic-tac-toe>
- **YardFixer** (Ruby on Rails / PostgreSQL / Bootstrap)  
<https://github.com/edwalters99/yardFixer>
- **Expense Trackr** (React / Ruby on Rails / PostgreSQL / React Bootstrap)  
<https://github.com/edwalters99/react-expense-trackr>
- **Chore Tracker** (React / Redux / Node.js / Express / Mongoose / MongoDB)  
<https://github.com/edwalters99/chores-react>

#### ● Telstra Broadcast Services

2016 - 2022

#### Senior On Air Presentation Co-ordinator

Responsible for 24/7 error-free playout of 100+ broadcast television channels, from a fully IP based playout facility in Sydney.

- Drafted operational plans, workflows and system diagrams & trained staff for a major new client project (Prime7 channels). This contributed to a successful on-air launch to a tight deadline.
- Playout of all SBS Australia channels, TVSN AU/NZ, EXPO, ICTV broadcast streams.
- Development of operational guides and manuals.
- Platform development / testing.
- Trained new starters and developed existing team members.

### EDUCATION

#### ● Bournemouth University, UK

**BA (Hons) Television Production 2:1**
